SEP 11 2003

Attention Docket ID No. OW-2003-0063

To whom it may concern,

The Board of Directors of the New Sweden Irrigation District unanimously agree with the memorandum issued on July 11, 2003, which states that legally made applications of pesticides for the control of aquatic weeds or insects does not constitute a discharge of a pollutant which would require a NPDES permit.

Very truly yours,

Kail Sheppard Manager
